Customer No.	:	29453

Honorable Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Sir:

This constitutes an Information Disclosure Statement pursuant to 37 C.F.R. §§ 1.97 and 1.98. The documents listed on the accompanying Form PTO/SB/08A are hereby brought to the Examiner's attention in the patent application identified above.

REMARKS

Cite Nos. F1 and F2, listed on Form PTO/SB/08A submitted herewith, were cited in the International Search Report for PCT/JP2003/003481, of which the above-identified patent application is to be the National Stage. Both references are not in English.

Furthermore, Cite No. F3 listed on Form PTO/SB/08A is not in English either.

Concise Explanation of Relevance/Copy of Translation Pursuant to 37 C.F.R. § 1.98(a)(3)

As a concise explanation of the relevance of the presently submitted non-English references from the International Search Report, i.e., Cite Nos. F1 and F2, a copy of the International Search Report in English also accompanies this paper.

Nat'l. Stage of Int'l. App. No. PCT/JP2003/003481
IDS Submission dated June 25, 2004

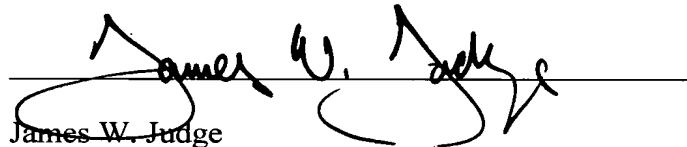

The entire "Background Art" section of the specification in the present application amounts to a concise explanation of the relevance of Cite No. F3.

Furthermore, English abstracts of Cite Nos. F1 through F3 are available, and a copy of the corresponding abstract is attached to the front of each reference. (Note that Cite No. F3 is a published Japanese *examined* patent application, as opposed to a published Japanese *unexamined* patent application, which is what Cite Nos. F1 and F2 are. Nevertheless, the English abstract for Cite No. F3 is taken from the published corresponding *unexamined* patent application.)

The Examiner is respectfully requested to consider these references, to indicate so on the accompanying Form PTO/SB/08A, and to make the document of record in the present application.

Respectfully submitted,

June 25, 2004
